## Electric Ireland Minor B Final Armagh v Kildare

Armagh came out on top of their three-team group, scoring heavily in their triumphs over subsequent B Shield finalists Meath and Westmeath.

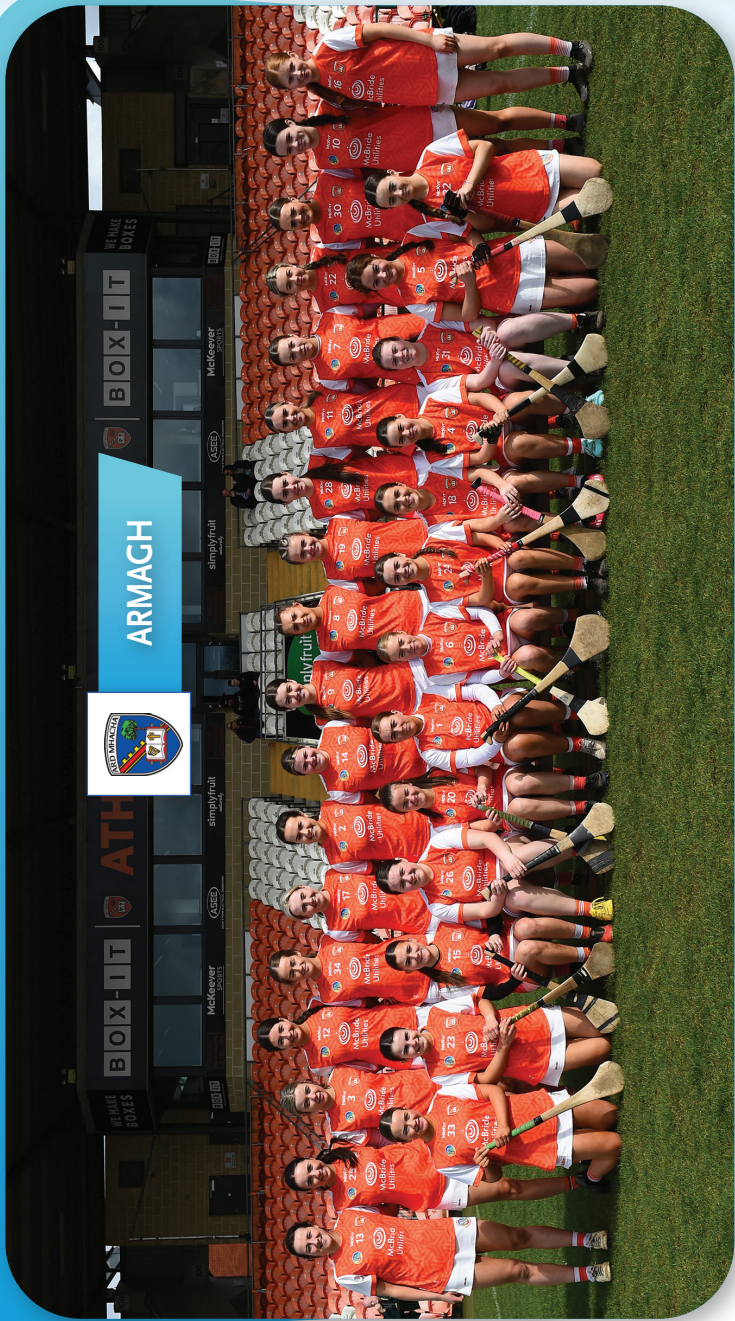

Kildare had a four-team group and after impressive wins against Down and Kerry, were held to a draw by Carlow, though they were already assured of topping the pile by that juncture.

It was the two teams from Group 1 that came out of the quarter-final jousts and Kildare went

goal crazy in accounting for Kerry by 5-11 to 1-8 at Banagher in their semi-final.

The battle between Armagh and Carlow was a corker, supporters getting full value for their admission price before the crew clad in orange and white prevailed, 4-12 to 2-13 at Dunganny.

All the indications are that this will go down to the wire.

## Electric Ireland Minor B Shield Final Meath v Westmeath

These two were in the same group and while they found B Championship finalists Armagh too hot to handle, they have their own shot at silverware now. On their efforts against the Orchard County girls, they seem evenly enough matched but when they faced off on St Patrick's Day, it was the Royals that were victorious in the local derby.

Kerry had too much firepower for Westmeath in the B Championship quarter-final, and though Meath threatened Carlow throughout, they were five points short at the final whistle.

That set up this clash for Shield honours and in a one-off encounter with cup on the line, anything could happen.
